

OUR SPA TREATMENTS WILL TRANSEND YOU

FACIALS: Our facials are custom designed and performed by licensed estheticians, trained and certified.

BODY TREATMENTS: Refining treatment to soften and smooth, followed by a light back massage, including arms and hands. Perfect for chronic muscular, neck, and shoulder tension.

MASSAGE THERAPY: The most sought after service in the Spa Industry. With the recognition of its immeasurable health benefits, it is no longer considered a luxury.

AYORVEDIC TREATMENTS: A 5,000 year old East Indian health tradition that addresses the mind, body and spirit to assist you in achieving balance.

BODY WRAPS: Hydration, nourishment and complete soul revival are guaranteed with your choice of organic body wraps.

HAIR REMOVAL: Our estheticians use a mild wax that is great for all skin types. Waxing lasts approximately 3-4 weeks.

NAIL CARE: We offer first class nail care in a sanitary environment. All implements and work areas are sterilized and continuously disinfected.

PARRAFIN: The wax application seals in concentrated relief and restores circulation. It's great for cell rejuvenation and gives the added benefit of silky soft skin.

MICRODERMABRASION: The Microdermabrasion redefines skin resurfacing and effectively treats all skin types and addresses a wide range of dermatological conditions.

HOLISTIC TREATMENTS: The integration of mind, body, and spirit has long been implemented into the daily lives of Eastern Cultures. Thankfully, Western society has begun to acknowledge and value its importance. We are pleased to offer a diverse selection of treatments.
